

WHAT

The RUTH exhibit highlights the stories of Holocaust survivors who are currently living in San Diego County, as well as showcasing important Holocaust artifacts and World War II memorabilia.

Upon entering the exhibit, visitors will have the opportunity to meet and learn about local survivors. Many actively engage with students, military personnel, and various organizations to share their unique survival stories. These individuals embody resilience, gratitude, and an unwavering hope that such atrocities will never be repeated.

The exhibit features a collection of original World War II and Holocaust memorabilia, all of which have been generously donated. We are committed to continuing the collection and preservation of these crucial historical artifacts for future generations.

Watch Us Grow*

Our goal is to establish a Holocaust Museum in San Diego. We collect and document valuable artifacts related to World War II and the Holocaust. As a 501.C3 non-profit, we welcome donations to help us achieve these objectives. If you have items you would like to donate or wish to offer your support, please contact us.

REMEMBER US THE HOLOCAUST IS FOR EVERYONE

Remember Us The Holocaust is a wonderful learning experience for all age groups. Young students will learn about the Holocaust while others learn to appreciate living in a free country.

PROGRAMS

A team member will be at the exhibit each **TUESDAY** from 12:00-2:30 pm.

Holocaust programs are held on the second Tuesday of each month at 6:00 pm free of charge.

Walk among life-size cutouts of Holocaust survivors from San Diego County as you learn about the Holocaust. View Holocaust and World War II artifacts donated by the community so that we **NEVER FORGET**.
